

Forum "Math-for-Industry" 2017
- Responding to the Challenges of Climate Change: Exploiting, Harnessing and
Enhancing the Opportunities of Clean Energy -
East-West Center, University of Hawai'i at Mānoa, October 23- 26, 2017

Poster Session Award Ceremony

Forum "Math-for-Industry" 2017
- Responding to the Challenges of Climate Change: Exploiting, Harnessing
and Enhancing the Opportunities of Clean Energy -
East-West Center, University of Hawai'i at Mānoa, October 23- 26, 2017

Excellent Poster Award

to
Akshay Goel
in recognition of
"Random Cech Complexes on Manifolds
in the Thermodynamic Regime"

Forum "Math-for-Industry" 2017
- Responding to the Challenges of Climate Change: Exploiting, Harnessing
and Enhancing the Opportunities of Clean Energy -
East-West Center, University of Hawai'i at Mānoa, October 23- 26, 2017

Best Poster Award

to
Khongorzul Dorjgotov
in recognition of
"On exact solutions of a class
of variable coefficient time fractional evolution systems"

Forum "Math-for-Industry" 2017
- Responding to the Challenges of Climate Change: Exploiting, Harnessing
and Enhancing the Opportunities of Clean Energy -
East-West Center, University of Hawai'i at Mānoa, October 23- 26, 2017

Excellent Poster Award

to
Rose Hart
in recognition of
"Using small unmanned aerial systems
to map shoreline change at Hāpuna State Beach Park"

Forum "Math-for-Industry" 2017
- Responding to the Challenges of Climate Change: Exploiting, Harnessing
and Enhancing the Opportunities of Clean Energy -
East-West Center, University of Hawai'i at Mānoa, October 23- 26, 2017

Excellent Poster Award

to
Cid Reyes Bustos
in recognition of
"Degeneracies in the spectrum of
the asymmetric quantum Rabi model"

Forum "Math-for-Industry" 2017
- Responding to the Challenges of Climate Change: Exploiting, Harnessing
and Enhancing the Opportunities of Clean Energy -
East-West Center, University of Hawai'i at Mānoa, October 23- 26, 2017

Excellent Poster Award

to
Tatsuya Yamaguchi
in recognition of
"Mathematical Model for Turn Alternation in Pill Bugs"
