

Forum "Math-for-Industry" 2019
-Mathematics for the Primary Industries and the Environment-
Massey University, Auckland, New Zealand, 18-21, 2019

Best Poster Award

to
Sebastián Elías Graiff Zurita
(Kyushu University, Japan)
in recognition of
"Integrable Discrete Euler's Elastica: Explicit Expression for the Curvature"

Forum "Math-for-Industry" 2019
-Mathematics for the Primary Industries and the Environment-
Massey University, Auckland, New Zealand, 18-21, 2019

Excellent Poster Award

to
Hiroaki Kurihara
(Kyushu University, Japan)
in recognition of
"An Invariant of Surfaces in the 3-Sphere"

Forum "Math-for-Industry" 2019
-Mathematics for the Primary Industries and the Environment-
Massey University, Auckland, New Zealand, 18-21, 2019

Excellent Poster Award

to
Kento Okuda
(Kyushu University, Japan)
in recognition of
"Bifurcation and stability for surfaces with constant mean curvature bounded by two coaxial circles"

Forum "Math-for-Industry" 2019
-Mathematics for the Primary Industries and the Environment-
Massey University, Auckland, New Zealand, 18-21, 2019

Excellent Poster Award

to
Linh Thi Hoai Nguyen
(Kyushu University, Japan)
in recognition of
"Sustainability Conditions for a Stochastic Forest Model"

Forum "Math-for-Industry" 2019
-Mathematics for the Primary Industries and the Environment-
Massey University, Auckland, New Zealand, 18-21, 2019

Excellent Poster Award

to
Seyed Mohsen Hashemi
(Massey University, New Zealand)
in recognition of
"Linear Distortion and Its Application in Material Science"

Forum "Math-for-Industry" 2019
-Mathematics for the Primary Industries and the Environment-
Massey University, Auckland, New Zealand, 18-21, 2019

Excellent Poster Award

to
Yasuaki Kamada
(Kyushu University, Japan)
in recognition of
"Numerical Simulation of Kyushu Railway Network based on Mathematical Model of True Slime Mold"
