Title	ECMI: Cooperating, Promoting and Teaching Industrial Mathematics in Europe
Abstract	<p>The European Consortium for Mathematics in Industry (ECMI), established in 1987, is actively engaged in promoting the role of mathematics in industry, teaching new generations of applied mathematicians to work directly with industry, and helping the members of academia to acquire European and industrial funding. In this talk the structure and activities of ECMI will be described, including: nodes, study groups, special interest groups, modeling weeks, bi-annual conference, prizes, and publications. Current research directions and initiatives at various ECMI nodes will be presented.</p>
